

Introduction

This document is a Resource Directory for 1st V.P. / Program Chairpersons of each of the 18 Garden Clubs in District X of the Florida Federation of Garden Clubs. Hopefully it will become a living document and will continue to grow as ideas and information are collected and shared. We hope to prepare a hard copy of the info but currently it is only available on the District X web site: www.districtx.org.

Please email me *other ideas for our programs* to be included in this guide. Let's make each of our respective Garden Club's within *District X* the best that we can be.

If you discover errors please email corrections to me. I realize some of this material is dated but may still be useful for many of you so I was hesitant to remove the 2007-2009 information.

If you have suggestions/additions/corrections, please email them to Donna Swift of the Garden Club of Stuart: donnacobbswift@aol.com or you can contact me via my cell phone at 772-971-4977.
