

## UNSOLICITED AWARDS

District X is establishing “Unsolicited Awards for Plantings in the Public and Private Sector” for the 2011-2013 term. The purpose of these Awards is to recognize and encourage well-designed and maintained plantings which may be viewed from the street and have been completed for at least a year. The Awards are “unsolicited” in that they are not requested by the places nominated. Nominees are notified if they have won.

We would like your Garden Club to submit documented entries (including photos and other information) to chairman Emily Kane by March 1, 2012. The sites will be visited by Landscape Design Consultants who will then meet to select the winner(s) for the year. The winner(s) will be invited to the District’s Spring Luncheon where they will be recognized and given the Award.

If you have any questions involving this Award or other questions concerning Landscape Design Consultants, please contact Emily.
